

What's Happening at the Harp!

David's Harp celebrates Arab-American Heritage Month

David's Harp members spent much of April learning about Arab culture, language, and the contributions of prominent Arab Americans. Our cultural gathering this month focused on the country of Lebanon, and members enjoyed sampling Lebanese cuisine including roasted lamb leg, tabbouleh, and hummus. Participants also participated in a poetry reading from the work of Khalil Gibran and listened to music from Marcel Khalife, Mashrou' Leila, and Nancy Ajram.

Gardening season is off to a start

David's Harp is exciting to be partnering with the Parkrose Heights Community Garden for another growing season! Our members have been tending to seedlings in the greenhouse for the past few months and recently began transplanting them into the garden. Gardening groups meet at David's Harp on Mondays and Fridays at 2:00PM.

David's Harp is accepting new referrals!

David's Harp is currently accepting referrals for Level C Out-patient and Level C-SPMI clients. If you have a client on your caseload who may benefit from attending, please e-mail the ID number and initials to amy.driscoll@cascadiabhc.org.
