## David's Harp hosts "Museum in a Suitcase" program through the Nikkei Legacy Center

On Thursday, July 19th members of David's Harp came together for a special event to learn about Japanese culture and history. Diane Syrizi, a guest speaker from the Nikkei Legacy Center, provided a presentation on Japanese American life and Portland's Japantown before, during, and after World War II that incorporated many artifacts and photographs from the museum. The event also provided a forum for members to explore ways they can create an inclusive and safe community for everyone at David's Harp.

## Community Integration Program Expands

David's Harp recently received several foundation grants to support the growth of the community integration program! These grants will help cover the cost of admissions fees and activities costs, allowing for members to access more community resources that support healthy lifestyles and provide access to local arts and culture. In July, David's Harp participants attended a chair yoga class at Yoga Union, painted pottery at Mimosa Studios, practiced golfing at the Glendover driving range, and attended a Chamber Music Northwest concert. Upcoming community outings scheduled in August include trips to the Grotto, golfing at a local par 3 course, and a trip to the Columbia River Gorge.

## New Client Referrals

David's Harp is currently accepting referrals for Level C-Outpatient and C-SPMI clients. If you have a client on your caseload who may benefit from attending, please e-mail the ID number and initials to [amy.driscoll@cascadiabhc.org](mailto:amy.driscoll@cascadiabhc.org).

David's Harp members enjoy a beautiful afternoon at the Glendover golf course.
